### *Learn Morse Code with Cambridge Amateur Radio*

Learn this well-known code used in amateur radio, aviation, and the military. Join members of the Cambridge Amateur Radio Club in an eight-week series of classes that will teach you to use Morse code and some of the history behind it. Morse code, or CW as known among amateur radio operators, is using a combination of short and long 'beeps' of a tone. The number and the combination of short and long 'beeps' will signify a letter. You will be surprised at how quickly you adapt to sense the difference among the various combinations and translate it to a letter, forming words and sentences. Learning Morse code is a great way to challenge your mind and keep it sharp. Amateur Radio (ham radio) is a popular hobby and service that brings people, electronics, and communication together. People use amateur radio to talk across town, around the world, or even into space, all without the Internet or cell phones. It's fun, social, educational, and can be a lifeline during times of need. ### *Queer Craft Circle*

LGBTQ2S+ identifying individuals are invited to explore a different creative project each month in a fun and safe space. Is it time to bring some colour and cheer into your space? Come on out for a fun night of making with Michael and Peter of woolwaterneedle and you'll end the evening with something woolly and wonderful to decorate your home or give as a gift. All we need is some wool, a cookie cutter, a felting needle, some embellishments and our collective creativity to create something beautiful and cheery. This is a great introduction to needle felting using a cookie cutter as a guideline, but also a very fun and creative way to spend the evening no matter what your prior experience. At the end of the workshop, students will have at least one needle felted decoration, ready to hang or gift to someone special. All supplies are included. This program is offered in partnership with Spectrum, Waterloo Region's Rainbow Community Space. Accessibility If you require an accessibility accom
