### *An Evening with The Paranormal Seekers*

It's that time of year when our thoughts turn to the spirit realm...Join us for another fascinating presentation by paranormal investigators, The Paranormal Seekers. Alongside stories of who they are, what they do and why they do it, they'll be showcasing some of the tools and techniques that they use in their investigations of phenomena beyond the scope of normal scientific understanding. Believer, or skeptic, all are welcome to bring along questions and/or stories of your own encounters with the paranormal! Cost is \$12.50 per person, plus HST. Registration is required.

### *Bloody Berlin Walking Tour*

Join Schneider Haus staff for an evening walk through the back alleys and side streets of downtown Kitchener as we talk about some of the scary, sexy, or just plain weird characters that have called our town home. Murders, executions, grave robbing, shootouts, villainous doctors, and even pandemics of the past. Come learn a little more about Bloody Berlin...if you dare! Kick start your spooky season with us on Friday the 13th in September! There's no better time to learn about bloody Berlin than on the unluckiest day of the year! Admission: \$31 per person plus HST. Advance ticket purchase is required for this event, there will be no tickets sold at the door. Membership discount applies. No refunds. Information about Event: Suitable for ages 16 and up. Event runs rain or shine. This event takes place entirely outdoors and there will be no access to washrooms. The Historic Haus and galleries will be closed. ### *Learn Morse Code with Cambridge Amateur Radio*

Learn this well-known code used in amateur radio, aviation, and the military. Join members of the Cambridge Amateur Radio Club in an eight-week series of classes that will teach you to use Morse code and some of the history behind it. Morse code, or CW as known among amateur radio operators, is using a combination of short and long 'beeps' of a tone. The number and the combination of short and long 'beeps' will signify a letter. You will be surprised at how quickly you adapt to sense the difference among the various combinations and translate it to a letter, forming words and sentences. Learning Morse code is a great way to challenge your mind and keep it sharp. Amateur Radio (ham radio) is a popular hobby and service that brings people, electronics, and communication together. People use amateur radio to talk across town, around the world, or even into space, all without the Internet or cell phones. It's fun, social, educational, and can be a lifeline during times of need. *Halloween Pumpkin Pop-Up Display*

October 21 - November 1, 2024 Sculpted and carved pumpkins abound in this spooktacular Halloween pop-up display featuring the work of Cambridge-based artist, Greg Latimer. About the artist Greg Latimer is a local once-a-year artist who sculpts pumpkins, squashes, and potatoes, and writes about himself in the third person. He skins and sculpts unsuspecting fruits and vegetables with clay ribbon sculpting tools and then preserves his work in various glass containers filled with vinegar. Don't worry though- The rest of the year he's actually pretty normal. Greg won the Cambridge Public Library Pumpkin Carving Contest last year and demonstrated his skills at an Artist-at-Work showcase at the Kitchener Public Library in 2019. He lives in Cambridge with his son, who also loves carving pumpkins.
